Situation 11 : Dessine-moi une forme – support

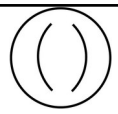

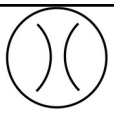

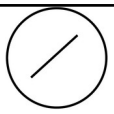

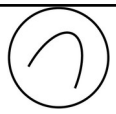

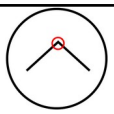

Contenu : 12 bandeaux-consignes C2 pré-remplis (CP) ; 8 bandeaux-consignes avec angle droit et côtés de même longueur (CE1). Une case vide signifie que la caractéristique est libre.

Pour l’enseignant : figures attendues (CE1)

- Bandeau 1 : rectangle ou carré.
- Bandeau 2 : triangle rectangle.
- Bandeau 3 : losange (non carré).
- Bandeau 4 : carré.
- Bandeau 5 : trapèze rectangle, par exemple.
- Bandeau 6 : triangle à côtés égaux.
- Bandeau 7 : pentagone avec deux angles droits.
- Bandeau 8 : quadrilatère avec un seul angle droit.

Pour les bandeaux CP, plusieurs formes conviennent toujours : c’est ce que montre la phase 3, quand un camarade associe chaque dessin à son bandeau. Un bord arrondi seul (dernier bandeau) donne un disque ou une forme ovale.
